Organiser: ARBÖ Landesorganisation Wien, Ortsklub E-Werk 11 (RC ARBÖ Wienenergie Röhsler & Co), Wehlistraße 362, 1020 Vienna, Austria, ZVR 533173670 – hereinafter the “Organiser”.

1 Risks

I am aware that taking part in a gravel bike race involves sport-specific risks to health and property. These include in particular – but are not limited to:

- falls, including at high speed and on descents
- loose or changing surfaces: gravel, sand, dirt, mud, ruts, potholes, stones, roots, transitions between tarmac and gravel
- collisions with other riders, pedestrians, vehicles, animals or fixed objects
- riding in a group, narrow sections, dust and limited visibility
- agricultural and forestry traffic as well as local residents’ traffic
- weather such as heat, wind, rain or thunderstorms, wet and slippery tracks
- riding and concentration errors due to fatigue or exhaustion
- technical defects of my own bike or equipment

Uneven surfaces and damage to roads and tracks are not specially marked by the Organiser. I will adapt my riding and speed at all times to the course, visibility, weather and traffic conditions.

2 Conduct on the course

- I take part **at my own risk**.
- I will comply with all applicable laws, in particular the **Austrian Road Traffic Regulations (StVO)**, and with the conditions imposed by the authorities. Even on secured sections I must expect other road users, residents, animals and obstacles.
- If I fall behind the broom wagon, I am an ordinary road user and must fully observe the StVO (e.g. right of way, pedestrian crossings, traffic lights).
- **Helmets are mandatory** throughout the race. **Private support vehicles are prohibited.**
- I will only ride on the signposted course. Leaving the course leads to disqualification.
- I will follow the instructions of the race management, commissaires, marshals and police at all times. Violations may lead to disqualification and exclusion from future events.
- If I abandon the race, I will report to the race management or at the finish. In the event of an accident I will give first aid as far as I can and inform the race management or call the emergency number (144 or 112).
- E-bike race: only pedelecs with pedal assistance up to 25 km/h are permitted.

3 Health and equipment

I am aware of the physical and technical demands of the course, have trained sufficiently and am in good health. There are no health reasons preventing my participation. I am responsible for the technical condition and suitability of my bike and equipment. The race management may take me out of the race for safety or health reasons.

4 Liability

Being aware of these risks, I waive all claims for damages arising from my participation in the event against the Organiser, its officers, staff, volunteers and marshals as well as against the landowners, path owners and municipalities whose land the course crosses.

This waiver does not apply:

a) to **personal injury** (injury to life, body or health),

b) to **damage to property** caused **intentionally or by gross negligence**, and

c) insofar as a waiver of liability is otherwise not permitted by law.

If I culpably cause damage to the Organiser or to third parties (e.g. other riders), I am liable for it myself in accordance with the law.

Standard accident and liability insurance policies often exclude timed events. The Organiser therefore recommends insurance that expressly covers bike races (e.g. ÖRV Marathon Card, ÖRV or UCI licence).

5 Changes and cancellation

The Organiser may change the course, schedule and procedure, and may shorten, interrupt or cancel the race if this is necessary for safety reasons, due to the weather, official orders or force majeure. Entry fee in case of cancellation: to be decided, e.g. “If the race is cancelled before the start, the entry fee will be refunded less a handling fee of € __.”

6 Data and photos

The Organiser and the timing company process my details to run the event. Name, year of birth, category, club, nationality, race number and times are published in start and result lists (notice board, websites of the Organiser and the timing company). The emergency contact is used only in an emergency and deleted after the event. More information: privacy policy at www.… (website address).

Photos and videos are taken at the event.

☐ I **agree** that photos and videos in which I can be recognised may be used free of charge by the Organiser and its partners for reporting on and promoting the event (website, social media, press, printed material). This consent is voluntary and may be withdrawn at any time with effect for the future by e-mail to e-mail address.

7 Confirmation

I have read and understood this declaration and accept the Organiser’s race announcement and terms of participation (see website). This declaration must be signed personally and handed in at race number pick-up. If another person collects my race documents, they must bring this declaration signed by me and be entered below as the authorised person. Without a fully completed and signed declaration you will not be allowed to start; in this case the entry fee will not be refunded.
